

FOR IMMEDIATE RELEASE

TecTecTec Unveils GAME-CHANGING Golf GPS Earbuds at PGA Show 2024!

Vannes, France (Jan. 15, 2024) — TecTecTec, the pioneering brand renowned for precision in golf technology, is excited to announce the much-anticipated launch of the TEAM8 E, the world's FIRST Golf GPS Earbuds, at the PGA Show 2024. Golf enthusiasts, get ready to redefine your solo golfing experience!

TEAM8 E seamlessly combines music, precision, and vital golf course data, all in one brilliant device. With a simple touch, golfers can access distances to the green, hazards, and even record their shots while enjoying their favorite tunes. It's your personal caddie in earbuds!

Key Features of the TEAM8 E:

- Accurate distances to the green and hazards
- Shot tracking with a touch
- Crystal-clear music and podcast streaming
- Stylish, comfortable design for all-day wear
- Easy Bluetooth connectivity with your smartphone
- Affordable retail price of just \$99 USD

Starting today, golfers worldwide can pre-order the TEAM8 E, with shipping slated for February 2024. At just \$99 USD, TecTecTec brings you unrivaled innovation at an unbeatable price.

"The TEAM8 E is a game-changer, designed to elevate every golfer's game," said Renan Lore, Director at TecTecTec. "We've combined precision, music, and the essential golf data you need into one incredible device. It's your key to mastering the solo golf experience."

Visit TecTecTec at Booth #2335 at the PGA Show 2024 to get a hands-on experience with the TEAM8 E and be among the first to secure this revolutionary device.

Don't miss your chance to experience the future of golf technology. Pre-order the TEAM8 E today at www.us.TecTecTec.com and be ready to hit the greens in style and precision this golf season.

FAQ:

Does the TEAM8 E have wireless charging?

Yes, the TEAM8 E earbuds feature wireless charging. Simply place their case on a wireless charging pad for a convenient power-up.

How do the touch controls work on the right earbud?

The right earbud of the TEAM8 E is designed with intuitive touch controls:

- A single tap gives you the distance to the front, center, and back of the green.
- Two taps provide the distance to the nearest hazard.
- A long tap allows you to measure your shot distance.

Does the TEAM8 E offer high sound quality?

Yes, these earbuds provide superior sound quality, enhancing both your golf and music experiences.

Do the earbuds charge inside the case?

Yes, the TEAM8 E earbuds charge efficiently inside their case.

Are the earbuds compatible with streaming services like Spotify and Apple Music?

Yes, the TEAM8 E seamlessly integrates with popular streaming services like Spotify, Apple Music, and more.

Can users make phone calls with the TEAM8 E?

Yes, the earbuds support making and receiving phone calls.

How can I pause the music?

You can easily pause the music by tapping once on the left earbud.

Is it possible to use only the right earbud for golfing?

Yes, you can use just the right earbud for golfing functionalities, providing flexibility and convenience.
